The Lantern Hill Golf League (LHGL) is looking to start May 16<sup>th</sup> and play 9 holes every-other Thursday until the end of September. We will conclude the first league season with a modest awards banquet and 18 hole golf outing on Thursday October 3<sup>rd</sup> (tentative).

Our motto will be Bogeys, Stogies, & Brews....we are all about having fun and want all golfers to feel included. In order to accomplish this, we have established a LHGL governance structure. This includes:

<b>Chief Golf Officer (CGO)</b>	Joe Hogan	Responsible for organizing events and making sure everyone feels included and has fun
<b>Chief Social Officer (CSO)</b>	Vince Haas	Responsible for all communications and organizing post golf activities
<b>Chief Game Officer (CGA)</b>	Matt Leech	Responsible for keeping stats, scores, and notable facts (mostly for fun)
<b>Chief Beer Opener (CBO)</b>	Sean Bensenberg	Responsible for having a bottle opener so no golfer has to worry about opening their beverage
<b>Chief Cigar Officer (CCO)</b>	Pat O'Connell	Responsible for having appropriate cigar tools to help golfers cut & light their cigars

We want as many golfers as possible so the more the merrier. To provide some clarity to our approach and hopefully answer some questions you might have, below are some FAQ's about the league.

**When does LHGL start?**

We are looking to start play Thursday May 16 with a 5:15pm tee off.

**How often will we play?**

We are scheduling every other Thursday starting May 16<sup>th</sup> - key dates below

**Is this open to friends outside Lantern Hill?**

Absolutely yes. Our only request is that there is a connection to a Lantern Hill resident in the league

**Where will we play?**

Neshaminy Valley Golf Club. 440 Almshouse Rd Jamison, PA 18929 [www.neshaminygolf.com](http://www.neshaminygolf.com)

**How many holes will we play every other Thursday?**

The plan is to play 9 holes. This typically takes less than 2 hours as Neshaminy is a pretty easy course and is very enjoyable to play

**How much does it cost?**

Joining is free..... the Greens fees with a cart are approximately \$26. At the time I called Neshaminy Valley Golf they had not decided on raising prices

**Do I have to play every other week?**

No, we realize this is running from the middle of May to the end of September. We are hopeful that everybody who joins makes as many Thursday's as possible. Pls note we estimate approximate 10 golfing dates

**Will the golf be competitive and do I need to be a good golfer?**

Simple answer, Maybe & No. The LHGL is about having fun. You do not need to be a good golfer to join. If you are a good golfer, we welcome you to help your fellow LHGLers golfers improve their game while you and everyone else has fun. If you are not a good golfer....DON'T WORRY ABOUT IT; we are interested in you having fun.

**Will we keep scores and stats?**

Yes, we will look to keep scores, longest drives, and closest to the pin stats. This will help add some friendly competition to the league; **BUT** we will also introduce some levity to the stat keeping as well. We will create some fun/silly stats for [laughs] and giggles. We'll keep you posted on the stats as we go.

**Who can I call, text or e-mail to ask additional questions?**

Pls feel free to contact Joe Hogan. (c) 215-499-4885 (e) [jahogan@comcast.net](mailto:jahogan@comcast.net)

Lastly, this is our first year. So, as we get the LHGL up and running, we will look to introduce ideas to ensure everybody has fun, feels included, and keep the interest high.

Thank you for your consideration and we look forward to seeing you on the course.
